Who We Support

Federal program leaders, HR professionals, innovation teams, and executives seeking clear, actionable decisions related to strategy, AI initiatives, and workforce transition — at any scale and without unnecessary procurement complexity.

What We Help Agencies Do

Strategy Works Consulting provides short-cycle strategic support and AI-enabled tools that help agencies:

- Clarify priorities, align leadership, and accelerate decision-making
- Reduce risk in AI pilot initiatives with structured ROI and readiness assessments
- Support employees navigating role change, workforce disruption, and career transition
- Align actions to measurable outcomes with clear accountability frameworks

Core Service Offerings

Strategic Alignment & Planning	AI Readiness & Integration Planning	Workforce Transition Support
<i>The C.A.R. Method™ (Connecting Actions to Results)</i>	<i>GPT-Enabled Decision Support</i>	<i>Pivoting When Shift Hits the Fan™</i>

Why Strategy Works Consulting

- ✓ 30+ years in federal, public sector, healthcare, and private sector strategic planning
- ✓ Proven experience with FDIC, FDA, Sandia National Labs, DoD personnel
- ✓ AI tools and frameworks designed for authorized federal environments
- ✓ Focus on clarity, measurable outcomes, and accountability
- ✓ Speed and simplicity — rapid start, minimal ramp-up time
- ✓ Woman-Owned, Minority-Owned Small Business (certifications in process)

Engagement Model

- Available via micropurchase, simplified acquisition, or BPA task order
- Rapid start — virtual, on-site, or hybrid delivery
- Scalable scope: focused sprints to multi-phase engagements
- Tools designed for authorized federal environments
- Experienced teaming partner for prime contractors seeking certified WOSB/MOSB capacity

Engagements sized to fit your timeline and acquisition vehicle — not the other way around.

Next Step If your agency has a need for strategic, AI readiness, or workforce support — whether a focused sprint or a longer engagement — let's explore fit and timing. Strategy Works Consulting is ready to start quickly and deliver results you can measure.
